**9TH ANNUAL JACK ROBERTSON
INVITATIONAL**
to benefit the
HUNTING HERITAGE TRUST

March 2008

To: Our “JR Shoot” Veterans & Friends.

Your JR Shoot Committee is pleased to announce that all is proceeding well in preparation for this year’s Jack Robertson Invitational on Thursday, May 22!

JR

And, we are equally pleased to announce that the venue for this year’s shoot will again be the world-class Ten Mile River Preserve in Dover Plains.

Veterans of past shoots at Ten Mile River know what a superb job that Club Manager Gary Hall, Shoot Manager Tommy Comolli, “Chef Jeff” and the rest of the Ten Mile River crew do for our event. It’s a perennial question whether the sporting clays or the gourmet luncheon is the highlight of the day. We’re happy to call it a draw.

Based on early responses, we will have the most impressive line-up of raffle and auction prizes ever, including top-quality firearms, special items donated by our very own shooters and the increasingly popular “Flag Flown Over the Capitol”.

Discount Pre-Registration

Despite significant increases in our costs, especially in ammunition, we will maintain last year’s prices.

Your registration form is attached. **Discount pre-registration**, which includes continental breakfast, 100-bird event, shells, awards, lunch and cocktails is \$275 for individuals or \$1,500 for a six-person team. **To help eliminate delays at the sign-up desk, pre-payment is required to earn the discount pre-registration price. Registration limited to first 150 shooters.** (On-site registration, if available, will be \$300 per person or \$1,650 per team.)

Lucky Pellet Winner

**NEW FIRST-TIME
SHOOTER AWARD**

First-Time Shooter Award

At the suggestion of Mr. Robertson, himself, we have added a special new “First-Time Shooter Award” this year. The award will be presented to the “Hi-Overall” shooter who is participating in the “JR Shoot” for the first time. This can be a beginning shooter or a veteran who has never attended the “JR Shoot” before. (see registration form)

“Giving Back”--An Idea Catches On

Consistent with the Hunting Heritage Trust’s mission of “**Giving Back**”-- we are again inviting our shooters to visit their attics, closets and gun safes in search of new or used quality items for our raffle or auction. Over the past three years, items donated by our shooters have generated nearly \$15,000 for the Hunting Heritage Trust – and \$15,000 worth of tax-deductions for our donors.

Canale Electric – Our 2007 Winners
